

RECRUITING

Spread the word
about becoming a
union carpenter,
millwright,
floor coverer or
pile driver!

Why did you decide to become a Union carpenter? (Check all reasons that apply below)

The North Central States Regional Council of Carpenters is looking to increase its membership. Our best recruiting comes from word of mouth by our own members to their families, friends and acquaintances. Are you spreading the word about the benefits of being a union member?

Help get that sibling, cousin, neighbor, roommate or family friend out of a job and into a career as a professional carpenter. Send them to www.getbetterwages.org.

- Get paid what you're worth
- Support your family
- Women get paid the same as men
- Health and pension benefits
- No chasing your paycheck
- No costly college tuition/debt
- You get paid to learn
- Regular work schedule/steady work
- Emphasis on training and safety
- Build exciting projects in the community
- Free skills upgrade training
- Can use your apprenticeship training toward a 2-year college degree
- Get treated like a professional
- Wanted to work with my hands
- Didn't want to sit at a desk all day
- Easy for veterans to join the trade

The reasons you decided to become a union carpenter are the same reasons that becoming a member of our union are important to so many others seeking a career and a livelihood. Send them to www.getbetterwages.org to get them started on a career in carpentry.
