

Get news and information delivered to your phone!

Join the North Central States Regional Council of Carpenters text messaging program and get news and information delivered directly to your cell phone!

Go to text messaging on your phone and input “91990” as the telephone number.

As the message, write “NCSRCC” and press send.

You will get a text response that says “Welcome to NCSRCC Mobile Updates. Reply with your ZIP code for local info.”

Message and data rates may apply.

- Your cell phone information will not be shared or sold.
- Text messages will be infrequent.
- Please do not text while driving.
