

## **Millwright Instructor Job Description**

We are seeking a full-time Millwright Instructor at our Hermantown Training Center located at 5238 Miller Trunk Highway in Hermantown, Minnesota.

### **SUMMARY**

As a Millwright Instructor for the Carpenters Training Fund, you will train and mentor our members to create world class, Professional Millwrights. If you enjoy sharing your wealth of knowledge, learning about new topics and continually improving your knowledge base and teaching prowess—we have a place for you.

We are seeking a full- time Millwright Instructor at our Hermantown Training Center located at 5238 Miller Trunk Highway in Hermantown, Minnesota.

### **JOB DESCRIPTION**

You will be instructing Millwright skill classes, including welding, in this full-time position. Starting wage is \$38.15, with a benefit package of \$18.81. Any hours worked over eight in a day and Saturdays are paid at time and a half. This position also provides opportunities to travel to other Training Centers in our Regional Council, as well as the United Brotherhood of Carpenters International Training Center in Las Vegas.

Please send your resume, including work and leadership experience, to: Ben Pratt, [ben@uniontraining.org](mailto:ben@uniontraining.org).
